

CONCEPT COMMERCIAL WINE DISPLAYS & CABINETS

From state of the art spectacular displays & rooms utilising led lighting, to refined stylish cabinets utilising only the highest quality materials and finishes, each designed and realised to your individual requirements.

Concept has the ideal solution for any application: hotels, restaurants, late night clubs and bars and private membership clubs.

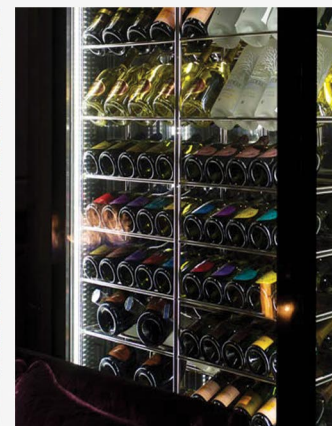

We work with interior designers and architects to ensure a perfect seamless solution, also with sommeliers, who understand the need for the perfect blend of form and function.

We also supply custom humidors to accompany the wine cabinets. Concept's expertise in custom refrigeration is well known but now, working with world & local specialists we can deliver the best wine solution in the UK which in turn increases sales and the quality of the offer.
